A NOTE FROM PASTOR MARK

Reflections on what to pack for the trip...

One of the great challenges of life is learning the difference between what is merely urgent and what is truly important. We live in a culture that constantly encourages us to add more—to our schedules, our commitments, our activities, and even our worries. Before long, our lives can become overstuffed, leaving little room for reflection, rest, relationships, or the things that matter most.

Imagine trying to fill a suitcase for a journey. If we simply stuff everything inside without thought, the bag becomes heavy, disorganized, and difficult to carry. In much the same way, when we try to squeeze every opportunity, obligation, and expectation into our lives, we often find ourselves exhausted and overwhelmed. The problem is not that all these things are bad; the problem is that not all of them belong in the suitcase.

Wise living requires sifting rather than stuffing. Sifting involves slowing down and carefully examining what deserves our time, energy, and attention.

It means asking important questions: Does this align with my values? Does it strengthen my relationships? Does it help me fulfill my calling? Does it bring life, purpose, and joy? When we sift our commitments through these questions, we begin to recognize that some things are essential while others are simply distractions.

Priorities are not determined by what shouts the loudest but by what matters most. Faith, family, meaningful relationships, service, health, and personal growth often deserve a higher place than the endless demands competing for our attention.

A well-lived life is not measured by how much we can cram into our days but by how faithfully we invest ourselves in what truly matters. Rather than overstuffing our lives, we are invited to sift carefully, choose wisely, and make room for the people, purposes, and experiences that give life its deepest meaning.

In doing so, we discover not only greater clarity but also greater peace.

I'll look forward to being with you in worship!

Pastor Mark

A NOTE FROM PASTOR RYAN

A New Chapter for Youth Ministry at SOTP! God's Holy Spirit is truly moving in exciting ways this year! We have three really big announcements related to our youth ministry program!

The first is that we have officially hired our new full-time Youth Ministry Coordinator! Mia Larkin will begin her ministry on August 10. A Huntley native, she has wealth of experience working with youth and an incredible passion for building relationships and a community among young people. I will let her introduce herself in more detail as she comes aboard, but for now, please know how excited we are to have her join our staff. It has been a very long process, but we wanted to make sure we hired just the right person for the job, and Mia is that person! Look for opportunities to meet her very soon as well as for her installation during worship.

The second is that SOTP's brand new Youth Council had its first meeting on July 21. Our new Youth Council is made up of one 7th, 8th, 9th, 10th, 11th, and 12th grader. The council's first members are Emma Stegge (7th), Max Wodniska (8th), Zachary Serpe (9th), Daphne Shaw (10th), Andrew Padget (11th), and Lucas Monson (12th). Mia Larkin, Jess Panella, and I will accompany this amazing group of young people as they dream up and execute new and exciting youth ministry opportunities. The team's first meeting was spent building relationships and developing a vision and goals for their work together. They have identified three broad areas of focus: weekly activities, Bible study/devotions, and large events. Each of these areas will be the focus of a chairperson from the team as well as one of the adults while the group, as a whole, will contribute ideas and effort in making all three aspects a reality.

While this first group was brought together through personal invitation, starting this coming spring, the youth of SOTP will be electing the members of this Youth Council going forward. The plan is to elect a new 7th, 9th, and 11th grader each year to serve a two year term. Youth who have served will be eligible for re-election. As I shared about Mia, look for more info about this awesome team very soon as well as their installation during worship.

Our Youth and Family Ministry Team, which currently consists of Dan Wichtendahl, Monika Wichtendahl, Jess Panella, Carrie McCabe, Tim Torkelson, and me (with the forthcoming addition of Mia) will continue to do its great work alongside the new Youth Council, and as we blaze this new trail, we will be diligent in developing a synergy that will allow the two groups to complement each other, focusing on middle school and high school ministry. The Children and Family Team will continue their work with our Pre-K through 5th grade youth. SOTP is so blessed and I am so grateful for the work of these groups.

A NOTE FROM PASTOR RYAN

(continued)

The third announcement is the launching of a new SOTP youth ministry experience. We are moving away from our Thursday night Youth Group model to a new Sunday night experience! Youth Group will now be 6-8 pm every Sunday, starting August 16th. And with the new leadership of Mia and the Youth Council, it promises to be a revitalized and innovative ministry! This is a good time to remind everyone that I have always encouraged 8th graders to join Youth Group during their 8th grade year in order to build a bridge between Confirmation and Youth Group. Look for more information on this newly refreshed ministry soon!

Thank you all for your continued support of our young people and our children and youth ministries. Exciting things are happening, and I can't wait to see where the Holy Spirit is taking us next!

MINISTRY MUSING, DONNA KELLY

What an amazing week of Vacation Bible School we had! Over 120 kids. And over 60 volunteers! Our theme was "Follow the Light". The light of Jesus shined in so many ways. An older man playing with a boy with special needs, a baby patting the shoulder of a volunteer while we held hands for prayers, kids singing, "My Lighthouse!" with all their hearts, children playing "Pass the Balloon" and praying for their friends and family when the balloon stopped with them, little ones hugging their friends, and so much more!

By the end of the week, we were tired and overwhelmed, but buoyed up by the light of Jesus shining in the hearts and lives of the children and adults who learned more about God's love. How blessed to be a part of it!

Children are invited to bring their backpacks to church and, during the service, come forward for a special prayer as we ask God to bless them and guide them throughout the coming school year.

Whether you're heading to preschool, elementary school, middle school, high school, or college, we invite you to join us as we celebrate the beginning of a new year and ask for God's protection, wisdom, and encouragement in all your learning adventures.

We look forward to seeing you and your backpacks on August 16!

FUTURE OF RECYCLING AT SOTP

For the past three years, we have proudly participated in the NexTrex plastic recycling program. During that time, thousands of pounds of plastic have been collected through our efforts. This year, however, NexTrex changed the program.

Instead of receiving a bench after reaching the 1,000 -pound goal, participants are now entered into a quarterly drawing for every 250 pounds documented, with a chance to win a \$500 gift card for the NexTrex store.

Because the updated program no longer offers a guaranteed end goal, the Outreach team and the plastic collection teams are looking for direction on how to move forward. The program remains valuable: it keeps plastic out of landfills and puts it to good use. At the same time, it requires a significant amount of coordination and volunteer support.

The 8-10 people who have been helping so far have done a wonderful job, but additional support will be needed to sustain this program year-round. One possible way to organize volunteers would be:

- 4 groups of 4-5 people with each group serving 3 months per year
- 6 groups, with each group serving 2 months per year
- 12 groups, with each group serving just 1 month per year

You might consider signing up with another family or a group of friends. It could even become a friendly challenge to see which group collects the most plastic during their month. Most importantly, it is a meaningful way to care for the earth – not only for ourselves, but for future generations as well.

This program succeeds because of you, Shepherd of the Prairie has become known for this, and now you have the opportunity to help continue to make a difference. If you are interested in volunteering, please sign up on the Church Center or sotp.org.

If we do not gather enough volunteers by September 18th, this program will be phased out.

FUN WEEK AT VBS-THANK YOU!

Thank You, Shepherd of the Prairie!

What an amazing and epic adventure we had during Vacation Bible School! This year, more than 130 children joined us for our Kingdom Quest journey, supported by an incredible team of 60 volunteers who gave their time, energy, and talents to make the week a success.

None of this would have been possible without the generous support of the members of Shepherd of the Prairie. Your gifts and donations provided everything needed to create a memorable experience for our children and families—from decorations that transformed our church into an exciting adventure, to snacks, crafts, games, and all the materials used throughout the week.

Because of your generosity, children were able to learn about Jesus, build friendships, and experience God's love in a fun and engaging way. The smiles, laughter, and excitement we saw throughout the week are a testament to the impact your support has made.

Thank you for helping us provide this ministry to our community and for investing in the faith of the next generation. We are grateful for your partnership in sharing God's love with so many children and families.
