## INTRODUCTION

---

---

As members of Shepherd of the Prairie Lutheran Church, we are called to participate in God's mission. This mission is:

- Worshiping God in the sharing of the word and the sacraments and through lives of prayer, praise, thanksgiving, witness and service.
- Proclaiming God's saving Gospel according to the witness in the scriptures; preserving and transmitting the Gospel faithfully to all we come into contact with in our lives.
- Carrying out Christ's Great Commission by reaching out to all people to bring them to faith in Christ and by doing all ministry with a global awareness consistent with the understanding of God as Creator, Redeemer and Sanctifier of all.
- Serving in response to God's love to meet human needs, caring for the sick and the aged, advocating dignity and justice for all people, working for peace and reconciliation among the nations, and standing with the poor and powerless, and committing itself to their needs.
- Nurturing its members in the Word of God so as to grow in faith and hope and love, to use the gifts of the Spirit for their life together and for their calling in the world.
- Manifesting the unity given to the people of God by living together in the love of Christ and by joining with other Christians in prayer and action to express and preserve the unity which the Spirit gives.

To fulfill these purposes, our congregation is able to use their time, passions and talents by reaching out to all people by serving in various ministries. Please prayerfully consider serving in the ministry where God is leading you to be God's faithful servant.

## COMMUNITY OUTREACH

### Community Outreach Team

The goal of the Community Outreach Team is to introduce Shepherd of the Prairie church to our growing community. This is accomplished by participating in various meetings and workshops and planning for outreach each year at the Huntley Fall Fest, Memorial Day Parade and Farmer's Markets. The Community Outreach Team encourages all members to invite friends and family to worship at Shepherd of the Prairie Lutheran Church. All the members of our team are excited about sharing their love for Jesus and are always looking for new ways to make others feel welcome.

### Publicity

This ministry involves individuals from our congregation to provide information to the local newspapers regarding our weekly services and various meetings to be held during the week. These individuals also coordinate with the various publications and other media where SOTP advertises.

### Welcome Center

Members of the team greet first-time visitors during Sunday worship at the **Welcome Center** in the Gathering Area (narthex). We hope you have noticed the WELCOME above the center. At this location, after each service, we welcome new visitors and present them with a gift. We call this the **"Mugging Ministry"** because each family receives a mug and information on all the activities that we offer in our worship community.

## **YOUTH AND FAMILY**

The purpose of Youth and Family Ministry at Shepherd of the Prairie is to help grow and nurture the faith of our children, which is accomplished through five key ways:

- Home is church, too
- Faith is caught more than taught
- It takes Christian parents and other adults to raise Christian children.

We build our relationships with God and each other through caring conversations, devotions, service, and rituals and traditions.

As a support to the parents in guiding their child on the journey of Confirmation, we provide **AAA** (Authentic, Available, and Affirming) adults within the Confirmation program.

Stewardship means "belonging to God" - all that we are and all that we have comes from God. We are grateful to God for it all, and responsible to God for how we use it. There is a connection between stewardship and spirituality: generous giving as a spiritual discipline helps us to grow in Christ. "Duty and delight" are both motivating factors for giving - doing what we ought to do as responsible church members, and making cheerful sacrifices out of love for God.

The Stewardship Committee is responsible for planning and sponsoring workshops and temple talks leading up to Commitment Weekend. The committee also has the responsibility of providing detailed financial information in the newsletter and visuals at Church with regard to our loan balance projected pay off date and pledge results.
