FELLOWSHIP MINISTRIES

NEXT STEP

The Next Step group is a fellowship group for seniors (60+) who are single. We met for the first time on June 10, 2023. Eighteen people attended a light lunch meeting to introduce themselves and discuss possible activities for the coming year. The group decided to meet once a month on the fourth Saturday at 10:00 am in the Coffee Area outside of the church sanctuary for activities. Additional possible events and trips were discussed for other times.

The group met again on July 29 for a presentation and demonstration by Mary Kay cosmetics and then went out to lunch. A few from the group went to a special outing to the Night Out activity in downtown Huntley and dinner afterwards. The next meeting was on August 26 for games and cards and went out to lunch. On September 30 the group met for a painting lesson with Donna Kelly. On October the group participated in Trunk and Treat as a service project. Twelve to fifteen people are the average for attendance for meetings.

Plans for the future include the following:

- a meeting on November 18 for games and cards and
- a potluck Christmas luncheon at the church on December 16

Goals for the rest of 2023 until May of 2024 are as follows:

- to continue to meet monthly for a variety of activities still under discussion.--Efforts have been discussed about possible additional ways to promote the group including updating the videos prior to church services regarding current activities and reaching out to more seniors in the church;
- discuss meeting over the summer months of 2024
- look for additional activities and/or special events to attend or possibly invite guest speakers to the group.

MEN'S * WOMEN'S COFFEE FELLOWSHIPS

Pastor Mark's Report to the Congregation (cont.)

(Continued from page 4)

church together in fellowship activities. I've often said that a congregation that "plays together, stays together." Community building has been a key element of our staff emphasis this year. Your staff works extraordinarily hard to invite all of us to participate in the life of our church community. I am also pleased with ongoing efforts of using Church Center as an effective tool of communication as well as connecting people in ministry. If you do not have the Church Center app on your phone I encourage you to put it on and try it out.

The Congregation Council

Thanks to our elected leaders!!! Through prayer and the work of the Spirit your Congregation Council continues to serve our worshipping community so very well. Most members of the church have no idea of the amount of time and effort these faithful ones give. Suffice it to say, each one who serves would want it this way. Your Congregation Council is a group of humble, Christ loving, passionate, mission minded, servants of Jesus. We gather each month to be in council with Christ to seek how best we can make Christ known here at Shepherd of the Prairie Lutheran Church. Council members serve three-year terms and two members will be stepping aside this year to go on to new adventures in ministry. My thanks to Cheryl Adams and Joyce Shotick for their service.

All Siblings in Christ!

Finally, to everyone who calls Shepherd of the Prairie home. I am thankful and blessed to be your pastor. To think about where we were together on August 8, 2004. All of our worship supplies carried out from the basement of a bank and loaded into cars and mini-vans and transported out to Chesek School. Setting up for worship in a small all-purpose room. With 20-30 members giving praise and glory to God at each of our two services at 9 and 10:30 am (we had to start earlier because we needed to out of the school by 12 noon) we were always so excited when someone would visit for the first time. Often visitors would say "we saw the blue signs on the street."

Yes, the place for worship has changed but the passion continues to make Christ known!

We are blessed in so many ways but the greatest of all blessings is the ongoing privilege of continue to make the news of God incarnate Word known in this community in which we are privileged to serve. Thank you for time, talent and treasure given in support of ministry.

I look forward to new and exciting adventures in faith, being part of the grace of God manifested in this place we call home... Shepherd of the Prairie Lutheran Church.

Thankfully yours,
Pastor Mark

Pastor Ryan's Report to the Congregation

2023 was a great year for children, youth, and family ministry at SOTP. As you may know, this ministry has been in transition for some time. Jill was hired as our Director of Children and Family Ministry shortly before my arrival in 2022. Together, we spent the fall and winter of 2022-23 visioning and planning for the future.

Jill has done some fantastic work with our Kids Connect program and Adventure Club. Adventure club is, I feel, one of the true gems of our children's ministry. It is designed for 4th and 5th graders with the goal of offering something that is more advanced than Kids Connect, but not quite as advanced as Confirmation. My 5th grade son loves it, looks forward to it every week, and is sad when the program is on a break. The group meets Wednesday nights from 5-6pm throughout the school year. If you have a 4th or 5th grader and haven't introduced them to it yet, I encourage you to consider giving it a try before the school year is over.

My main focus throughout 2023 was for the renewal of our Confirmation program. I enlisted the help of our amazing confirmation leadership team, and throughout the summer, we met regularly to brainstorm and craft a new plan for the 2023-24 confirmation year.

We started with the idea that this year needed to have an emphasis on community. In order to fulfill that goal, we set aside nearly 30 minutes each week for the youth to spend playing ping pong, pool, or foosball, or enjoying snacks and conversation. From there, we shifted into a search for a new (to us) curriculum. The curriculum we chose met all our needs and wants. It has more than enough material and pre-planned activities to keep our leaders busy without requiring too much pre-planning. It also helped us to build-in regular fellowship nights and service projects. So much gratitude and credit goes to our team of leaders for making this year awesome. They keep everything running smoothly and allow me to focus on other areas of ministry.

That brings me to our high school youth group. While 2023 was spent reshaping our Confirmation program, my plan for 2024 is to put the same amount of effort into reshaping our high school youth ministry. I am encouraged by the number of 9th graders who joined our program this year and hope to continue that trend with our current 8th graders. Moving youth group from Thursday nights to Wednesdays has had numerous benefits. We now have more opportunities to build connections between high school and middle school youth, and I hope this will help to encourage more youth to join the high school youth group after Confirmation.

I will be looking to recruit some volunteers to help lead youth group from time to time. Occasionally, I have a schedule conflict on Wednesday nights and would much prefer to have someone lead it in my place rather than cancel that night.

I am very excited about the direction our children, youth, and family ministries have gone in 2023, and expect great things in 2024. As always, none of this could happen without the support of parents who bring their children to SOTP events and encourage them to be part of our ministries, and it certainly couldn't happen without everyone who so graciously volunteers or supports our ministries.

Thank you to all of you! You have made my time at SOTP so very special. Here's to a blessed and fruitful 2024!

In Christ,
Pastor Ryan

STEWARDSHIP TEAM

We continued our theme of Building a Culture of Generosity in 2023, but added a new wrinkle to it, and that was Taking a Step of Faith. We really wanted to emphasize people to look at their faith and see if they would be willing to take that additional step in their stewardship, whether it be financially, volunteering or joining a committee or group.

Our Financial Stewardship drive began on Oct. 22nd with Mike McCann introducing the 2024 stewardship campaign and followed with multiple weeks of videos based around our 2024 objectives provided by our church council. The 2024 objectives included:

Youth and Young Adult Ministry – Continuing our focus on these ministries was of high importance to continue the momentum carried forward from 2023.

Health and Wellness – Essentially the wellbeing of all of our members and staff. The importance we put on taking care of each other, whether it be physical or mentally.

Our Community – Continue to focus on the well being of our community. We highlighted a lot of the groups using SOTP to host some of their community programs in our videos. However, we want to ensure we continue to focus on serving our local communities even if not in our building.

I would like to thank the A/V team for all the hard work and time they spent assisting the Stewardship Team in the making of all these videos.

Our Stewardship Campaign concluded on Nov. 19th weekend with a Lunch of Gratitude to thank all our members for everything they have done. The Bishop was also in attendance and made the event really special.

Here are the results of our financial drive:

General Fund	\$729,032	102.9% of 2023 Results
Mortgage Fund	\$217,677	107.4% of 2023 Results
Total	\$946,709	103.9% of 2023 Results

Thank you to all who submitted an EOG card for 2024! Your willingness to submit an EOG card allows SOTP to plan accordingly which is a huge benefit throughout the year!

Operations Manager (cont.)

2023 has been a year full of tremendous growth as far as operations are concerned. Behind the scenes, the process has really helped all staff and volunteers collaborate together to ensure a great experience for all that come to SOTP. So much has been streamlined that staff are able to communally help each other out with different tasks that might come up, creating a stronger sense of team and ultimately allowing everyone to be more familiar with each other's work and ministry. I look forward to continuing to improve how we all work together at SOTP and cannot wait for 2024!

HELPING HANDS/FUNERAL LUNCHEONS

Helping Hands provides lunch following the funeral or memorial service. This is our way of providing comfort and care for those who are going through the loss of a loved one. This year we were able to provide this service for seven families of Shepherd of the prairie. Thanks to everyone who donated food and/or helped to set up, serve and clean up. This would not be possible without your **help**.

PROPERTY MINISTRY

2023 was a busy and productive year for the property team. We completed some long term projects, did some updating and remodeling and are currently in the planning stage of some projects for 2024. All this was done while taking care of the usual maintenance and repairs that come our way on a daily or weekly basis. With an always busy building like ours, there's always something that's in need of repair or replacement. Thanks to our group, with such a wide range of skills, we have most every need covered by someone with the right knowledge on the subject.

I'm thankful to work with a group of volunteers that are so eager to take on whatever task is in front of us. If you are interested in joining our team please contact me at 847-902-4741 or vettefixer67@sbcglobal.net

Barnabas Caregiving Ministry

The Barnabas Caregiving Ministry involves several service roles:

Barnabas Ministers; these are people who are trained in ways to listen and encourage those who are homebound or live in care facilities. The Barnabas Ministers strive to visit their care-receivers monthly and bring communion. They spend time listening and being a friend to their care receiver. Some of our ministers provide care through phone calls and by sending cards monthly. Each care receiver on our list receives a card each month. We also have a Resource Person who can refer people to agencies where they can receive help in different situations. We currently have 50 people on our list who are either shut-ins or semi-shut-in. We held a training session in March of 2023 and we now have 36 Barnabas Ministers.

We also continued the joy of hosting worship services in three of our local care facilities. On the first Sunday of the month, one of our ministers goes to Clarendale of Algonquin to worship with the residents there via our live-stream 9AM service and we bring communion to them at the service. Then, on the first Thursday of the month we bring a full service including communion to the residents at Clarendale and on the first Friday to Alden Rehab facility. In these facilities we also provide a short service of songs and communion for the memory care units. A service is also provided by our ministers at Huntley Springs.

Under the Barnabas Caregiving umbrella falls Grief Ministry, Caring Callers, Caring Cards, the Prayer Chain and Helping Hands. Our email prayer chain has 89 members. Helping Hands provides Funeral Luncheons for those who request it. Our Grief Journey Ministry provides books on grieving to families of our members and friends who have lost a loved one, our Grief Journey Group meets on Tuesday mornings at 10 and we held a Blue Christmas service on December 12th.

Caring Callers

My group of four women including myself continue to make calls to those in need of a caring caller! I contact Michelle each Friday for list of names of those who may need a caring call! My group of women are devoted to making these calls each week and we pray with them if requested or just listen to what they may be going through! I work with amazing ladies who are so dedicated to this calling. Thank you, ladies, for your continued help

CARING CARDS

The Caring Card team responds quickly with "Thinking of You" "Get Well Wishes" "Sympathy" "Happy Birthday" to our Shepherd of Prairie membership. This ministry responds quickly to families, friends, who might need comfort during trying times from this ministry. The team of women, include Linda Murphy, Mary Tabatt and Carol Spiller. Peace and faith in every one in our community.

Congregational Council Report

The Council has general oversight of the life and activities of the congregation and its worship life. This includes leading the congregation in stating its mission, to do long-range planning, to set goals and priorities, and to evaluate its activities in light of its mission and goals. The Council seeks to involve all members of the congregation in worship, learning, witness, service, and support. The Council oversees and provides for the constitutional administration of the congregation to enable it to fulfill its function and perform its mission. The Council is responsible for maintaining and protecting its property and managing the congregation's business and fiscal affairs.

At SOTP, the Council in 2023 consisted of ten members of the congregation. This included both Pastor Mark, Pastor Ryan, four members at large: Cheryl Adams, Mike Luecht, Ellen Nissen, Sarah Wolf, and four officers: Christa Serpe – Secretary, Kathy McGuine – Treasurer, Joyce Shotick – Vice President and Bob Mollis – President. Each council member has been dedicated to providing guidance and contributing to the overall leadership efforts of SOTP. At the conclusion of this year's annual congregational meeting: Cheryl, Joyce and Bob's three-year term will conclude. I would like to thank both Cheryl and Joyce for their service as they will be retiring from the Council. Please reach out to each of them and thank them for their leadership.

During 2023, SOTP undertook our first full year with two full time pastors. As the surrounding community experiences housing and young family growth, SOTP needed to invest in our Children, Youth, and Family ministry programs. We have been blessed with the addition of Pastor Ryan and the rebuilding of our Wednesday night family ministry, First Communion, Confirmation studies, and youth programs. Early in the year, the council reviewed and updated SOTPs Vision and Strategy document to better align with the current staffing levels. This has led to reviewing and enhancing various ministry program investments, including the Kids and Music Academies, Wellness ministry, rechartering of the Boy Scouts in America, and how new members are exposed to SOTP's ministries through SEE week. The Council has created a new Children and Youth Protection Policy, continued review of our insurance coverage, continued review of our fiscal investment strategies, expanded our use of "Church Center" for registration and fee collection, and reviewed/updated the staff credit card policy.

It has been a busy 2023 and the year has gone by so quickly. I am personally thankful for this congregation, your generosity, and for the resolute leaders and staff of SOTP. God has provided us with talented and caring members, staff members, leaders, and doers. It is too numerous to name all the individuals, I just ask that you join me and give praise and thanks for all of our ministry teams; Mission, Community Outreach, Connections, Adult Education, Children Youth and Family, Little Lambs, Music, Worship, Audio Visual, Property, Memory Garden, Stewardship, Finance, Council, and the dedicated Spiritual and Support staff at SOTP. God has provided us with an abundance of blessings, grace, hope and individual contributors to make up the total body of Christ here in Huntley. That is what makes SOTP an incredibly special place and a bit of heaven here on earth.

Respectfully submitted,
Robert Mollis
Congregational Council President

Finance Team

The Finance Team is responsible for overseeing the daily, monthly, and year-end financial activities of the Church. Our 2023 Team members were Devin Burg, Cliff Dungey, Bill Nesta, Dave Shotick (Accounting Administrator), Sue Wehnes, Kathy Wilkerson-McGuine (Congregation Treasurer) and Bill Ball (Chair).

We meet and report monthly to the Church Council with our analysis of the Church's financial position as well as any financial recommendations we think appropriate. The Team also prepares the annual budget and monitors SOTP's actual financial activities against that budget. Financial policy and procedure recommendations are submitted to the Church Council for approval to improve cost control and financial processes.

We are also responsible for managing the Church's Mortgage Service fund, maintaining adequate reserves for the maintenance of our building, periodically reviewing the insurance coverage and policies, reviewing contracts for services, being alert to compliance issues, and assisting with audits of the Church's accounting records.

In 2023, General Fund (GF) Member Contributions increased by \$22,500 compared to 2022. The total GF contributions were \$905,558 compared to a budget projection of \$920,000. This income increase helped to sustain the expansion of Spiritual Staffing that occurred in 2022. The 2023 GF expenses were \$960,438 against a proposed 2023 GF budget of \$972,358. This left a small positive year-to-date increase of \$2,195 in the 2023 GF balance to carry forward to 2024. The Mortgage Service Fund (MSF) receipts were less than our 2023 monthly payments by \$23,382 resulting in a corresponding reduction in our MSF reserve. Estimates of giving for 2024 suggest we should meet our GF budget but that we may again need to draw upon the MSF reserve although to a lesser extent than in 2023.

You will find our 2023 financial reports and 2024 budget enclosed elsewhere in this annual report.

Other specific financial team activities during 2023 included: Implementation of an updated Staff/Corporate Credit card policy. Working with the Property Team to move forward on resurfacing in 2024 a portion of the parking lot and installation of flooring better suited to the needs of the Little Lambs program. Continuing the implementation of an interest-bearing investment strategy using a Fidelity Brokerage account and maintaining a one-year Certificate of Deposit ladder with all current investment assets being FDIC insured. Working with Council to implement a strategy to invest short term cash reserves in a Fidelity managed Government Money Market Account (which is considered to have lower risk than a fund that invests in non-government securities). Continuing to work on incorporating the Audit team's recommended increases to certain insurance coverage limits (Child and Youth Protection). Initiating a review of the long-term proforma for the Memory Garden. Initiating a review of the SOTP Endowment Fund. Initiating a search process to identify and select an outside audit firm for the church.

Please join the Finance team in thanking Linda Dungey for her dedication, service, and knowledge in her role as the Financial Contribution Secretary. Linda volunteers her time to record all members' estimate of giving records and donations. She also generates the members quarterly giving statements and annual giving reports. Please reach out to Linda and thank her for her dedication and service.

2023 Year End Treasurer's Report

It has been my privilege to serve you this past year as your Church Treasurer and Council Member. The Church Treasurer is the financial officer, responsible for general oversight of all SOTP finances including contributions, expenditures, signing checks, fulfilling all Federal and State Tax obligations, and reporting to Church Council on the overall financial condition of the church. Our congregation was again faithful and generous in providing resources in 2023 for our ministry's programs.

I would like to thank Linda Dungy for her service as Contribution Secretary; she devotes many hours to ensure that donations are correctly accounted for. I would like to thank our Accounting Administrator, Dave Shotick for keeping our financial records accurate during the year. And finally, I would like to thank Bill Ball for his leadership as the Finance Team Chair. They have all made my job as Treasurer very easy and straight forward.

As of the end of the year our Fund Balances are as follows:

Fund Name	2023	2022	Change
General Fund	\$370,953	\$368,758	\$2,195
Restricted Reserves	\$142,019	\$116,021	\$25,998

Endowment	\$12,842	\$12,218	\$624
Mortgage Services	\$43,129	\$66,511	(\$23,382)

The MIF mortgage principle decreased by \$102,431 in 2023.

The Finance Team has prepared a very thorough 2024 operating budget which the Council has approved and is submitting for your review and approval.

BANNERS AND DECORATING

This group works to decorate the church for the liturgical seasons. Banners and displays change with each season. Flowers are also designed for each season as well. Advent and Christmas are a remarkable busy time of the year. We were blessed this year with 23 helpers to decorate the church for Advent and Christmas. Holy Week, Palm Sunday and Easter require additional help to decorate for this very special liturgical season.

GREETERS

2023 has been a very good transitional year for SOTP greeters. I am extremely grateful for the dedicated "greeters" we have here at SOTP that are scheduled for both the 9 am and 10:45 am Sunday morning services, but we could still use volunteers for the Saturday 5 pm service and even more for the Sunday morning services. The "Words of Welcome" before worship are so important. They not only welcome longtime and new members of the congregation; they set the feelings and tone of the church and service. New greeters are always welcome to our community of volunteers. Please contact me for any information.

SOTP provides three services per week including Saturday 5pm, Sunday 9am and Sunday 1045am. Sunday services are live streamed. Members of the group provide leadership for the major ministries needed for a service. Their reports follow.

This is a very active committee keeping three services per week “up and running.” There is always a need for volunteers to the different ministry groups and many ways to serve the church. We welcome offers to help!

USHER MINISTRY

Your Usher Ministry continues to support the needs of our SOTP members and visitors during all scheduled services held here at SOTP. Over this past year, your usher team has supported all three general services on the weekends, seven funeral services this past year (as requested) and continues to support all special church holiday services, and special events. We were blessed to welcome 6 new ushers this year to support this valuable ministry.

We continue to support members and visitors into service and are responsible at each service for collections, attendance counts, and directing members for communion. With a big Thank You to Pastor Ryan, we now have Acolytes to take over the task of lighting and extinguishing the altar candles at the 9:00am and 10:45am services.

This year we began to schedule our ushers using the Planning Center program used here at SOTP for services scheduling. We will continue to use this automated method of scheduling our ushers which, when they acknowledge the scheduling email, automatically updates the service schedule for each service time and provides the Ministry leaders confirmation on who will be serving at service.

The Usher Ministry members (part of the Worship Ministry Team) will continue to support other areas of worship as needed. We are truly blessed to have this dedicated group of Usher Team members here at SOTP!

Ed Cuttle, Usher Ministry Coordinator

COMMUNION / ALTAR CARE

Everything is going good this year, we got new robes and Sandy Meyer was kind to shorten them for use. We also got new wine for Communion. All the women and also husbands are doing well with set up and clean up, and thanks to all the bread makers also.

PRAIRIE POINT QUILTERS

The ladies of Prairie Point Quilts have been hard at work. In August we were able to dedicate 101 quilts for Lutheran World Relief to be sent wherever needed in the world. We also took 11 quilts to Home of the Sparrow. Also, a huge thank you to the ladies who take the kits home and make the quilt tops. And thank you to all who donated money - without your help we wouldn't be able to get our fabrics and batting.

—Bev Kenny

PRAYER SHAWLS

The Prayer Shawl group provides shawls for the congregation to give to anyone in need of a little comfort. The shawls are available to everyone. We make them for you to take. We also donate to the local hospital. We now have 2 "Shawl Racks" for you to choose a shawl. A big "Thank You" to the building team for the second rack!

The group also provides the baptism blankets, Alice and her daughter Tammy also create blankets for the graduating seniors. Most of the work is done at home, but we do come together once a month to pray over the completed shawls. This is a very rewarding ministry and new knitters and/or crocheters are always welcome. Pastor Mark calls us the "Stitcheroos"! Please and check us out on the 2nd Thursday of each month at 9a.m. in the Library. come

ANNUAL MINISTRY REPORTS

Children & Family Ministries

This has been a busy year for the Children and Family Ministries Program. We've had many events throughout the year and tons of fun!!!

We started out the year with a Kid's Pizza Party. The kids ate pizza and played games. We had over 30 kids that registered and we also partnered up with the Youth group that helped out throughout the night. Our Annual Easter Egg Hunt was a huge success. We had over 100 children from the community come out and find 2300 eggs!!! Thank you to everyone that dropped off candy and also a big thank you to everyone that helped fill the eggs, especially the wonderful ladies that help out in the office, Peggy Lynn Loiselle and Mary Lou Chamberlain. We kicked off the summer with an Ice Cream/ Car Show and wow did we have a great turnout!!! We had music, games, face painting, cool cars, and delicious ice cream. In October, we had such fun hosting our annual Trunk or Treat. We had over 18 "trunks" decorated for kids to trick or treat at! The parking lot was packed and full of fun and fellowship! We had almost 200 people join us and not only from our congregation, but from all over. It was a great success! At the end of the night, the fun continued and we voted on the top two best trunks for prizes. Congratulations to our 1st place winners, Jim and Kim Stancl for their Baseball themed trunk and 2nd place went to the Mackey family for their Jurassic Park trunk!

This year for VBS we had over 90 kids, 40 volunteers, and 1 Big Yellow School Bus! Our theme was Ready, Set, Move: Following Jesus Here There and Everywhere! It was a 5-day adventure, from 9am-12pm each day. Kids had fun singing & dancing, playing games, making crafts, and gathering school supplies for families in our community.

The new Kids Connect program Orange 252 has been a great success. This program creates resources and experiences that promote the alignment of the church and the home. Two combined influences make a greater impact than just two influences. When the light of the church (yellow) combines with the heart of the home (red) you get a stronger, more vibrant impact in the life of a kid (orange). We started off our Kids Connect season on Rally Day, it was a great success with games, fun activities, and music. We have about 20-35 kids every week attending Sunday morning Kids Connect.

It has been an amazing year and we would not have been able to do all that we did without the Lord's faithfulness and the help of our volunteers! It is a great gift to serve this ministry program and to help in the growth of it in the coming years!

We are looking forward to a new and exciting year in 2024, we already have many activities planned for next year and we can't wait!!!

"A GROWING CHURCH FOR GROWING PEOPLE"

Community Outreach Ministry (cont.)

I would be remiss if I did not give a shout out to our publicist, Patricia M. Szpekowski, APR of PR Strategies & Communications, Inc. Pat has worked with SOTP for a few years now and she is able to help with promoting not only Community Outreach activities, but has also promoted articles for the Artist Series, various activities from the Mission Team, and our various special services to just name a few, within the Daily Harold, Facebook, and neighborhood Patch sites.

Lastly, the Community Outreach team also manages the Welcome Center (WC). In January we are rolling out a new way to sign up to man the WC desk and registration desk. It will be the same as if you were signing up to be a greeter or usher. We have also asked that our Ministry leads, and council members take part in helping at the WC as well. We started showing our new members' photos on the screen above the WC to give current members an opportunity to see and recognize who is new at SOTP. If you are interested in helping at the WC, watch for training dates during S.E.E week!

I would like to give a big Thank You to those that served on the 2023 Community Outreach team! It has been a great year and I look forward to what we can accomplish in 2024!

Little Lambs Preschool

Little Lambs

Little Lambs- Our Little Lambs Preschool Program is celebrating its 15th year! This year we started out our new year with an Open House. We had all the students and families come the Thursday night before we started school. It was nice to be able to meet and talk with the parents of the students that work full time and don't get to see our classroom in action. Classes meet from 9:00 am – noon on Tuesday, Wednesday, and Thursday. During this time, we enjoy circle time, math/language lessons, letter recognition and letter sound recognition, Bible stories, crafts, music, snacks, free play and more! These activities help children develop Kindergarten readiness skills, a love for Bible stories and the knowledge that God loves us all! We will be starting early enrollment for the 2024-2025 school year in January. Children between the ages of 2 and 4 yrs. (by Sept. 1st) are accepted into our program. Students do not need to be potty trained and do not need to be members of SOTP. Enrollment is limited, so, if you are interested in signing up your child, or, if you know someone who is, please contact us at littlelambs@sotpmail.com. We see the smiling faces on our students and parents, every week, and feel the program has been a great success! With God's blessing, we'd like to see the program continue to grow!

Connections Ministry

The Connections Ministry includes Barnabas Caregiving Ministry, Small Groups and 7s Discipleship Groups, New Member Gatherings and Visitor Awareness, and Ministry Teams, as well as Caring Cards, Caring Callers, Prayer Chain, and Helping Hands. This ministry seeks to connect people, members, and non-members, into ways of following in Jesus' footsteps as his disciples or apprentices.

BARNABAS CAREGIVING MINISTRY

The Barnabas Caregiving ministry provides care in the form of encouragement and Holy Communion for members who are residents of Care Facilities or living at home and unable to attend worship. We also help our pastors with making hospital visits. Not only do we care for our members, but we provide monthly communion on the third Sunday at Clarendale in Algonquin; and monthly services at Huntley Springs; and at Clarendale, and Alden Huntley not only for patients who can come to the services, but also to those living in the memory Care units. We currently have 35 trained Barnabas Ministers who serve 53 Care Receivers in various ways.

SMALL GROUPS, 7s DISCIPLESHIP GROUPS

Small Group ministry is "the lifeblood of SOTP". SOTP began as a small group, and we continue that tradition through our ministry, fellowship, study, care, and discipleship groups.

Our 7s Discipleship groups meet for a 7-week block of time, one in the fall, one during the winter and one right after Easter. The groups meet either at SOTP or in members' homes. They include, as they meet, the elements of study (Bible study and worship), fellowship time (fun and snacks), support, (listening to and praying for each other), service (finding a service project to participate in) and discipleship (apprenticing themselves to Jesus to learn how he lived and how they can too.) Each group chooses their own focus for study. We have one small study group that has been meeting for five years! These groups also do ministry in at least one service project (either here at SOTP or in the community at large) each year.

Our Ministry and Fellowship groups strive to include worship, prayer, caring and service in their groups as well throughout the year. Our Care groups meet to learn, worship, pray and serve during the year as well.

NEW MEMBER GATHERINGS AND VISITOR AWARENESS

Four New Member Gatherings were held during 2024; February, May, August and November and we welcomed 87 new members to Shepherd of the Prairie. Many of our new members have engaged in ministry here at SOTP through Ministry Teams and other small groups. Welcome to all of our new members!

We continue to welcome visitors through our Welcome Center and via our Visitor Contact link on our website. We have many visitors who worship with us regularly via our Live Stream and Facebook Live. We are working on new ways to connect with our visitors and to check in with our new members to continue to invite them into the life of SOTP.

SERVICE

This year, I was tasked with working through Panning Center and our Church Center app, to find a new and more efficient way for scheduling Worship Assistants for our Sunday morning services. I'm happy to say, that for the most part, the new procedure works very well, and we are working to implement this same process for our Welcome Center and Registration Kiosk helpers. A special thanks to Sue Sroka for taking on this ministry for Worship Assistants.

Connections Ministry (cont.)

We also put into action using the Church Center app to use for sign ups for all of our activities and ministries. It has really simplified the process for those of us who are in charge of activities or ministries as we now have only one place to sign up and one list of participants. We know that some are unable to use the Church Center app, or simply prefer to sign up in person. Thanks to Rich Paeth, we have two Registration Kiosks (designed just for these situations) complete with iPads and staffed by someone who can help people to sign up in a quick and easy way. If you have any problems please stop by the kiosk to sign up for any and all activities.

MINISTRY TEAMS

As you read through the ministry reports for this year you will see how our SOTP Ministry Teams have continued to serve God, all of you and our communities. We are called to: Love God, Love Neighbor, Love Self. Our Ministry Teams have been active in working to engage all of us in ways to do love in those ways. We seem to be busier than ever, with many of our Ministry Teams expanding the scope of their service to even more of God's people here at SOTP, our local community and around the world.

I would personally like to thank each person who helped care for God's people this year, whether it was through a ministry here at SOTP, or in your own families and neighborhoods. God has truly blessed us with opportunities to live the life Jesus calls us to. If you are looking for a way to become engaged with serving God's people, contact me and I will be happy to help you find the right fit.

It has been a great privilege to serve in partnership with God and this congregation as we work together to bring God's Kingdom "on earth as it is in heaven". Thank you for the opportunity to serve you.

Grace & Peace,
Donna Kelly

Friends Bible Study

The women in Friends Bible Study meet every Monday from 12:30-2:30 in the Willow Room at Shepherd of the Prairie Lutheran Church. Their purpose is to gather together to study God's word by focusing on a chosen book of the Bible.

Throughout 2023, the group has studied Exodus, Ezekiel, and 1 Kings from the Old Testament. From the New Testament, the focus was on Romans and 1 & 11 Thessalonians.

Respectfully submitted,
Linda Dungey

Community Outreach Ministry

It is hard to believe that a whole year has flown by, and I am now starting my second year as Community Outreach Ministry lead. Taking over after Mike Yndestad's 10-year run was a little daunting in the beginning, but with his guidance, a great team, and wonderful congregation full of volunteers – we were able to do some pretty amazing outreach this year!

Our first task as a team was to purchase all new SOTP canopies and tables cloths featuring the new logo. Armed with the correct logo we were ready to put it all to good use.

The "Fill the bag **February**" started us off with our first of 3 Grafton Pantry food drives. It snowed terribly the whole time, but we still had an impressive 63 cars and over \$1400 in donations that day! Our next drive was an **April** "Shower the pantry" – it also snowed/rained/sleeted terribly that day as well. We saw 44 cars come through with around \$1000 collected in donations. **September's** "Labor of Love" was our last food drive of the year and thankfully it did not snow! We had 45 cars and \$889 in donations. For next year, we are looking into involving the neighborhoods/business around us with the distribution of paper bags and option of porch pick up on the days our food drives. We have already decided on another February 2024 food drive. Stay tuned for more information and be ready with your snow boots!

March brought the Business Expo held at the Huntley Park District. We had a large booth where we were able to showcase our new logoed SOTP banner. With the help of the AV team, we also had an amazing video to show everyone that walked by a little bit more about SOTP. We played games, handed out our SOTP "swag", and had great conversations with the community members.

May was our second busiest month with two back-to-back events. On the 24th we honored the Huntley Public Works employees with pizza provided by Bob and Carolyn Malm, drinks, and desserts donated from the congregation. To say that these hard-working men and women were thrilled is a complete understatement. Later that month we participated in the American Legion Memorial Parade. Thanks to Doug Nagel and his truck for pulling our float, Jeff Moore and the SOTP Praise Band for singing/playing on the float, and to all the families that signed up to help decorate the float and then walk, sing, and hand out frisbees to the crowd. All our hard work paid off in the end because successfully defended our first-place title! Can we pull off a third time? Sign up and help us try!

September then became our busiest month. It started with a food drive as mentioned above. Our next event was the first of its kind. Community Outreach sponsored one of SOTP's own Dennis Houghton and his '**Captivated by Nature**' presentation. Held in the Fellowship Hall, we were able to work with the AV team again to fine tune Dennis' show up on the new big screen. His photographs of nature transported the audience to places and scenes that can easily be overlooked during the busy day-to-day grind, but when given the opportunity to slow down, can be found right in your own backyard. The last September event was **Fall Fest**. We set up a booth for both Saturday and Sunday and had a great location and beautiful weather. Our new canopy was by far the most professional and easily noticeable of all the booths. Most

of the SOTP swag was given out – which will lead to new and different items coming for next year. Thank you to all the volunteers that helped!
